**Rules and regulations of T&P**

1. Students from CSE are allowed to get selected in two IT or Software companies. After that they are not allowed to attend any company.
2. Other than CSE all the other students are allowed to get selected in one core and one IT job.
3. If they got selected in one core, they are not allowed to sit in other core companies, it's the same with IT company also.
4. If one student selects in one company, for the student to be eligible sit for the other company its CTC should be at least 1.5 times the previous selected company (Along with the above three rules)
5. Any off-campus jobs obtained by the students will not be considered as a job rule of two companies. A student can get any number jobs through off campus, but they should notify it to the T&P after getting selected in an off-campus drive for the internal verification response purpose from the company.
6. If any student misleads the T&P with fake or false information they will be prohibited from T&P.
7. It's purely the students who have to take the decision on sitting for a company drive.
8. Once any student given name for a company, he or she should attend the written and interview without fail.
9. If we came to know that any student intentionally underperforming in interviews and going through the process for the sake of experience, he or she will be detained from attending next companies.
10. Any act of student which brings bad name to the Institute will be treated seriously...and will be prohibited from placements.
11. Malpractice in online exams will be treated seriously, and they will be given bad conduct and prohibited from placements.
12. Misbehaviour of students with T&P staff and Company people in any manner will be treated seriously and banned from placements.
13. All the students should follow the timings very strictly and let joining and submission of CVs and details will not be considered at any cost.
14. Apply to a particular company after going through the company profile completely. If any student found missed the opportunity of other student with his/her greediness, will be marked bad in the conduct and prohibited from the other placements.
15. If we came to know that some student intentionally underperforming to avoid selection...such students will be notified to us by the HRs, those students will be banned from placements.
16. If once name is given means they have to attend for the written and interview (if got shortlisted) without fail. Because poor attendance than in the list make the companies to feel bad about the institute, so think before you apply.
17. We are here to support your talent and get you a good job and at the same time to punish your mischievous behaviour which makes other students to lose the opportunity and brings bad name for the Institute.
18. Don't be greedy to grab all opportunities, let your friends also get some jobs.
19. Based on the situation some time the T&P may take some decisions keeping in mind the reputation of the institute. The decision of T&P is final, no place for the arguments and referring the special cases will not be allowed.
20. T&P will not favour or recommend any students on personal basis to any company. The decision of the Company HRs is final regarding the final short of selection of candidates. T&P will not involve in the finalization of students for a company.
21. T&P may impose new rules based on the conditions and situation keeping in mind the future of the students and reputation of the Institute, which will not be questionable by the students as T&P works with an objective to place maximum possible students instead of only few.
22. Once a Student joins a company after his Graduation he or she will not be considered for any placements from the Institute.

Those who are not willing to follow the above rules are advised to not register for the placements.
